Your Quilting Services Prep Guide

To ensure that your quilt turns out just right, please follow these preparation instructions closely.

The Basics

- **Rate:** \$0.0275 per square inch, includes thread.
- **Quilt Size:** Anything from a baby quilt to 128 inches wide (King size).
- **Batting:** Batting is not included. Feel free to use your own or choose from the Pinnacle Quilting options.
- **Turnaround Time:** Typically 1-2 weeks, depending on your project. Specifics will be confirmed with your order.
- **Seasonal Surge:** From October to January, I experience higher order volumes, so please plan ahead for holiday projects!
- **Shipping:** \$20 for the first quilt; \$5 for each additional quilt in the same package.

Quilt Preparation

Press your seams neatly and trim any visible dark threads that may show through lighter fabrics.

- **Preparing Your Backing**

- **Size Requirements:** Your backing fabric should extend at least 8 inches beyond the edges of your quilt top. For example, a 60" x 70" quilt top needs backing of at least 68" x 78". Excess will be returned; smaller backing may cause alignment issues.
- **Alignment:** Please make sure your backing is squared for proper alignment.

- **Batting Specifications**

- Your batting should also extend 8 inches beyond your quilt top.

- **Top & Bottom Marking**

- Make sure to mark the top and bottom of your quilt if it's not immediately obvious—this helps avoid any confusion during production.
